

# On-Demand Interpretation Service

Get direct access to qualified interpreters anytime and on any device.

## Connect with Your English Learner Students and Families Instantly

Effective and clear communication with English Learner (EL) parents is essential to ensuring all ELs achieve academically. That's why the ESC of Central Ohio provides a service that your administrators, educators, students and families can use to gain instant access to interpreters who are certified in more than 250 languages on any device, 24/7/365.

This service will connect you with an interpreter in about 60 seconds. You can use our service to:

- Communicate directly with an EL about a school matter
- Call a parent for attendance, sick child and other issues
- Speak with parents in the office, in the clinic and in parent-teacher conferences

## Benefits

### Improve Student Outcomes

Make educational decisions based on more complete information to ensure student success

### Meet Federal Obligations

Communicate with families in the language they understand

### Increase Family Engagement

Keep families informed to encourage participation in their child's education

### Enhance Understanding

Use video to capture important non-verbal communication

### Be Cost-Effective

Pay only for the time you need

### Connect Quickly

Connect users with an interpreter in less than a minute

## Have Peace of Mind with Qualified Interpreters

You can be sure that your students and families understand you and you understand them with qualified interpreters who are nationally certified and culturally competent. They understand the educational system and the culture of both the United States and the target language they speak.
